2 Minutes of Annual General Meeting - February 26th, 2023

MINUTES OF THE

ANNUAL VESTRY MEETING

ST. MICHAEL AND ALL ANGELS' CHURCH

26 FEBRUARY 2023

I. Call to Order

The Chair, Rev. Paul Schumacher, called the meeting to order at 12:09 and opened with a prayer.

II. Welcome and Regrets

Regrets for absence were noted for Deb Ayotte, Don MacSween, Lonnie Palmer, Valda Kitching, Norm and Peggy McEvoy, Marion Edgar, Sally Tuckey, John Beckett and Lanny Hubbard.

Thirty (30) people attended the meeting at the Parish Hall. Quorum was declared.

Melissa Hogg was appointed as secretary of this vestry (AGM).

III. Agenda

The Chair called for any additions to the agenda under "Other Business".

Motion to approve the agenda: Nancy Whysker, seconded by Gerry Norie. Carried.

IV. Minutes

The Chair called for amendments to the AGM minutes of 27 February 2022.

Motion to approve the minutes: Stan Willow, seconded by Joan Brooks. Carried.

V. 2022 Reports

Paul thanked all the members, chairs and coordinators who served on our various committees and groups, and also expressed gratitude to Angela and Brian for providing Technical Services. The AGM package was distributed to the members on February 12, and opportunities to ask questions and give feedback about the reports, budget and plans had been provided on February 12 and 19. Parish Council approved the recommendation of the AGM package unanimously on February 8. Questions addressing the reports to the AGM will be noted and forwarded to Parish Council. Elizabeth Griffin asked what is being done to "green" the church, and discussion was held on representing the Education Committee in the report.

Motion to approve the 2022 Reports as presented: Geoff Huggill, seconded by Stan. Carried.

VI. 2022 Financial Reports

Dick Tuckey presented the financial report and budget in Lanny's absence.

Balance Sheet: Total Cash and Investments have increased over last year. Endowed funds for the cemetery of \$63,000 are not included in the accounts but will be added when Lanny returns.

Income and Expenses Statement: the negative to positive balance of -\$29,374 in 2021 to \$24,374 in 2022 is not indicative of St. Michael's activities but is rather a way of claiming funds for charitable donations as funds are coming through the accounts. There is actually a positive cash flow of about \$1800.

Motion to approve the 2022 financial report as presented: Dick Tuckey, seconded by Pegg Lovig. Carried.

VII. 2023 Proposed Budget

Dick Tuckey presented the budget in Lanny's absence. The budget as established is realistic. Donations are anticipated to be about \$35,000 higher this year. The budget for Clergy Leadership and Leadership Support have increased, reflecting the new full-time clergy plus moving costs. The Capital special projects budget has increased based on repairs already taking place. Directed donations is a best estimate. Investments should produce more income this year as terms come up. Helen noted that capital projects were not included in the budget last year, and that Lanny had restructured the financial statements to align with financial practices and recommendations from the diocese. The expected deficit is attributable to engaging the new priest.

Motion to approve the 2023 budget as presented: Dick Tuckey, seconded by Helen Love. Carried.

VIII. Elections

Bishop's Warden:

Brian Goddard was initially appointed as Bishop's Warden by Bishop Anna under Canon 6.8b. After Rev. John was formally installed as Rector, Brian's appointment was modified to that of Rector's Warden.

Treasurer: Lanny Hubbard was appointed as Treasurer under Canon 6.10.03

People's Warden: hearing no other nominations from the floor, Helen Love was appointed as the People's Warden.

Lay Delegates and Alternatives to Synod: Helen Love and Brian Goddard were appointed as Lay Delegates. Alternative Delegates will be Stan Willow and Margaret Eagle.

IX. 2023 Capital Budget Plan

Discussion occurred on the proposed budget of \$19,500 for Capital Projects and the time-line for Property Maintenance Projects. Volunteers will be appreciated for painting the office.

Motion to approve the 2023 Capital & Special Projects Budget as presented: Brian Goddard, seconded by Terry Willow. Carried.

X. Other Business.

There was no other business.

3 2023 Reports:

3.1 Rector's Report

"How good and pleasant it is when God's people live together in unity." (Psalm 133:1, NIV)

Cat and I feel very blessed to be a part of the community of the Anglican Church of St. Michael and All Angels, Royal Oak! Thank you for your warm welcome at the beginning of May.

In my first eight months as Rector, you richly blessed me with your thoughts about our Parish's long journey through the COVID Pandemic and then a year of interim pastorship — with four interim priests-in-charge! Almost all parishes experience some flagging of their ministries during an interregnum. Add in the Pandemic (which closed many church doors), and I heartily commend all of you who — in partnership with your interim priests — kept alive the ministries of St. Michael's.

When a parish's interregnum includes substantial internal conflict, a new rector can expect to spend much of his first year not just making connections with current parishioners but also helping parishioners to reconnect with one another. Congregational studies show that it is almost always harder to woo back a disgruntled parishioner than to welcome in a neighbour as a new parishioner. I am very happy that you and I have reconnected with a few parishioners who had left and are happy to be again part of our Sunday worship, and that we have also welcomed in several new parishioners.

Our first months together have thus been a time of both connecting and reconnecting, both building and rebuilding. I have been delighted with our parishioners' continuing leadership of maintaining and improving our buildings and grounds, keeping up our historic cemetery, overseeing our finances, providing Christian education, and preparing for, leading, and recording our worship services.

Likewise, I have rejoiced to support new leadership of our Pastoral Care ministries and of our coffee hour and social events. These areas of ministry are essential for maintaining and strengthening the bonds among us who are fellow members of the Body of Christ (the Church).

Thank you to all who organize and host our coffee hours after the 8:30 am Service (at Timmy's) and the 10:30 am Service (in our Parish Hall). These times of hospitality are crucial to our welcoming those who come through our doors on Sunday mornings. I encourage each of you to come regularly to our coffee hours, find someone you don't know well, and say, "Good Morning. How are you doing?"

Of course, the past eight months have also been about celebration! Every Sunday is a "little Easter", a celebration of the Resurrection in which Christ Jesus makes his presence known through all who participate in our services. It has been a pleasure to have David as my colleague, to plan with him how music can support our worship more strongly, to observe his building up

our wonderful parish choir, and to hear David play.

On October 1st we observed the 140th Anniversary of St. Michael's Church. We thanked God for His gifts both to those who persevered before us and to us who are growing now in trust, hope and love through the Holy Spirit. We celebrated our fellowship in our part of the Body here during the anniversary luncheon and programme, that Sunday afternoon – and again in our Vintage Fashion Show and tea two days later.

Celebrating our 140th Anniversary took a great deal of our time, effort, and energy – especially as it came soon after our annual Fall Sale and the Truth and Reconciliation Sunday, and just days before our afternoon Blessing of the Animals and annual observance of Thanksgiving Sunday. I give thanks again to all who joined in making each of these Fall events a great success.

During those weeks Melissa left our office for a new secretarial position at her children's school. I was amazed at how hard it was to find someone who was willing and able to fill Melissa's role! I am grateful to Paula Skippon for volunteering in our parish office, and to Helen Love for joining me in interviewing so many candidates, over many more weeks than any of us expected. We are blessed indeed to have found Sara to serve as our Parish Secretary.

I have been observing the many gifts God has given us, so that together we may serve God by caring for one another and for the members of our wider community around us. In this era of great distrust of institutions (some well-deserved), I am eager to work with you on inviting those who are reticent to visit a church. I long for them to join in our worship and parish events, so that they can experience our warm welcome, and, in a Christ-centred community - find the hope, fellowship, and peace that the World cannot give.

I am extremely thankful to the members of our Parish Council, and to all who belong to our committees and teams who work so hard in the ministry that we share by virtue of Holy Baptism. I am tremendously grateful to our Wardens (Brian Goddard and Helen Love) and to our Parish Treasurer (Lanny Hubbard), on whom I rely continually for support and counsel.

God has already adopted us into the household of Jesus, who promised that the powers of death will never conquer the Church founded on faith in him as the Christ, the Son of God. I am proud and happy to be your Rector, and I am excited to see where the Holy Spirit leads us on this journey of growing in knowing, loving, and serving God.

John Perris, Rector

3.2 Wardens' Report

The year 2023 commenced with a general feeling of optimism mingled with excitement and anticipation, a feeling that seems to have rooted and flourished as each of the many different events (described in this Report) took centre stage in turn. To be sure, at the start a strong band of "experienced volunteers" (in all sub-departments, from worship to music to cooking to selling

to fundraising to building and to re-building ...) was already established, both ready and willing to carry forward the aspects of that special community which is St. Michael's and to embrace cheerfully the changes which the year would inevitably bring. There have of course been losses too, that we all recall with sadness, but in all departments where they had already volunteered, even pioneered, their legacy of numerous tried and tested traditions helped us significantly as we went forward.

The year started with a Lay-led Christmas Carol service, before Rev. Paul Schumacher joined us as our interim leader from Epiphany to Easter, providing steady support as we anxiously awaited John and Cat's arrival in early May. Then just before Paul bowed out, he unfortunately succumbed to Covid, so John was needed to take up the reins a week earlier than planned. From then on, the year became even more busy than usual, with our planned celebration of the church's 140th anniversary (fixed for October 1st) began to demand events that were additional to our regular ones. Busy - yes, but definitely more exciting!

In the event John's arrival was as smooth a transition as we could have hoped for. Over the past months he has settled in well, and now we could not imagine our community without him and Cat. It has been a pleasure welcoming them not only into our parish, but also to Canada. John has come with new ideas and energy but has also been open and respectful of our traditions. His close collaboration with the Altar guild and choir have rejuvenated those ministries. We can't mention the choir without also expressing our deep gratitude to David Palmer, whose talent and vision have brought music in kaleidoscopic forms to our services and celebrations.

Our prime focus on rebuilding was to re-establish our Pastoral Care team, not only to care for parishioners in need but also to connect with those we have not seen since before Covid. Under Nancy Paxton's able leadership and John's caring ministry, this has been a resounding success. We have an active prayer circle, a "driver volunteer" team and a greetings card ministry (thank you Valda!), and we are actively contacting and supporting parishioners who are home-bound.

During November we held our first pledge drive, asking parishioners to think about the "treasure" that they could pledge, and also their time and talent. We were overwhelmed with the positive responses; those have helped us not only to plan our budget for 2024 realistically but have also provided opportunities to welcome new ideas and new ministries.

In September a few from St. Michael's attended the "Invite, Welcome & Connect" training (https://www.invitewelcomeconnect.com/) offered by the diocese. This year there will be opportunities to explore those ideas further, with an initial focus on "Invite" as we look for new and possibly novel ways to open our doors to our community and invite them into our space, events and worship. Your ideas and contributions are critical to this ministry, and as we welcome them we look forward to constructive conversations in the coming year.

The Warden's direct areas of responsibility cover the management of the Facilities (Buildings & Grounds), Communications, Technical Services and Mission & Outreach. These reports are therefore included within this section.

3.2.1 Buildings & Grounds

The Buildings and Grounds committee has been working to maintain the three buildings, the cemetery and the surrounding property of the Parish of St. Michael and All Angels.

The list of 2023 projects included:

- 1. Cleaning-up of all outdoor areas, picking up branches and windfall debris from our trees.
- 2. Trimming hedges and trees around the property as needed.
- 3. Repairing the blocked septic line out from the church.
- 4. Installing piping to redirect Hall down-spout water away from the perimeter drains to help prevent basement floods.
- 5. Replacing some of the incandescent bulbs in the Church light fixtures with LEDs.
- 6. Replacing the Church Hot Water tank.
- 7. Replacing the Rectory Hot Water Tank.
- 8. Building an access path down to the Outdoor Worship area from the upper level.
- 9. Replacing the "Anglican Church Welcome" sign at the driveway entrance.
- 10. Repairing the Hall's kitchen sink faucet.
- 11. Installing and re-sloping roof gutters on the Hall to help prevent basement floods.
- 12. Re-sloping the roof gutters on the Rectory to help prevent basement floods.
- 13. Repairing both church furnaces.
- 14. Acquiring and installing a tree for the church interior during Advent and Christmas.
- 15. Painting lines in the parking lot.

We will continue to repair and upgrade our 140-year-old church and property as required, with a continuing awareness of our financial situation. We always have a running list for potential future projects. Some of those include the Outdoor Worship area, exterior paint on the church, repairs to the asphalt drive around the church and parking lot, ... the list goes on.

I would again like to recognize our tenants Steve and Tamara for being always able and willing to help with repairs and maintenance.

Thank you to the hard-working committee members: Peter Goddard, Lanny Hubbard, Gordon and Lenore English.

3.2.2 Communications

In 2023 we introduced a weekly "Good News on Thursday" newsletter. It has transitioned from a manually crafted document to a sleek e-mail newsletter that follows the diocesan model generated from our website. Anybody can manage their subscription to the newsletter from the website (https://www.stmikevictoria.ca/subscribers). In addition to a principal article (most often authored by Rev. John), the newsletter includes reminders of upcoming events, weekly highlights, a link to the recorded services and other useful information. If you would like to contribute to the newsletter please contact Helen Love.

We also continue to send out an "e-blast" email on Sunday afternoon with the link to the recorded service and highlights from the "notices" section. If you are not receiving either of these newsletters, please contact Sara in the office.

This year a Messenger newsletter was published in April for Spring, and a special "Heritage" issue in September to coincide with the 140th anniversary celebration. We purposely left a small 'breathing space' by not publishing an Advent Messenger (a feature of recent years), but produced instead a Christmas/Epiphany edition in January 2024.

As we start the new year the communications team is expanding towards its goal of improving communications both to parishioners and to the community at large. This will be valuable for getting the word out about upcoming events such as a talk on *Birds of the Spring and Summer in Victoria*, arranged by the Education Committee on March 1st, and the *Community Garage Sale* on June 8th.

We will be putting a special emphasis on the use of our website, social media (e.g. Facebook, Instagram) and local no/low cost newspapers and on-line publications. If you are interested in participating in this activity, please contact Helen or the new communications email (communications@stmikevictoria.ca).

3.2.3 Mission & Outreach

St. Michael's continues to support local charities through cash and material donations. Financial donations have been well supported through donations and fundraising activities. The special appeals on behalf of the Parish Church have assisted in helping our fiscal reality directly. The total Outreach disbursed in 2023 was \$16,422.

Our contributions to the St John's Food Bank have seen a reduction in foodstuffs but an increase in cash donations. This seems to have balanced the scales well. The food bank is highly appreciative of our support of their focus on supporting the inner-city working poor. There is a continuing and growing demand from our local charities for support, but we continue to maintain a focus on the selected charities that we have supported over the last five years. Your

ongoing support of those is much appreciated.

For the details of our <u>Outreach Income & Disbursements</u>, please see the financial reports.

3.2.4 Technical Services

Over the past year Angela Goddard has continued to record diligently our Sunday 10:30 am service, and only missed three Sundays over the entire year. Her gradual improvements to the technology and processes have streamlined this task significantly, so that on a Sunday the recording is usually published within a couple of hours of the service. Angela is looking actively for assistance with this ministry, either to assist her on Sundays or to learn the system in order to be able to relieve her from this weekly task. If you are interested in learning more, please contact Angela directly.

In 2024 there is a budget request for \$500 to improve the quality of the sound in the recordings which we ask you to support.

As shown in the following table, we continue to have consistent viewership for our weekly recorded services with a total views for the year of 3,254 and an average of 60 views per service.

3.3 Worship & Spirituality

3.3.1 Altar Guild

When we began 2023, we were still receiving excellent leadership from interim clergy. Having had four interim clergy, we became pretty adept at adjusting to different styles. The Search Committee's diligence located a new full-time rector, John Perris, who came to us all the way from New York city last May. John is very supportive of the duties of the Altar Guild and has given us some fresh ideas, some of which we are still implementing.

The membership of the Altar Guild consists of nine parishioners who set up the altar every week. We are always happy to receive more members; you will discover what a rewarding duty it is. In addition, we are entirely dependent on donations of flowers by parishioners, and hope that we fill our flower chart with names for 2024. Many thanks to those who have already signed up.

A main focus for the present is writing a new Altar Guild manual. We are grateful to Sue Jones and Sara Baker for all their help in completing it; it will very soon be ready for publication.

Financial information concerning the Altar Guild is included in the financial reports in <u>Section 3</u> of this report.

3.3.2 Christian Conversations

Our parish's Christian spirituality conversations have continued for an hour each Wednesday morning, as we share thoughts on a variety of writings. Our numbers have ranged a bit but generally there are about a dozen folk present. Often John is the sole male, but we have had up to four others joining us at times and bringing their individual perspectives. We are offered a cup of coffee each week and would like to thank Nancy Whysker for her caring and consistency in preparing the coffee pot, and in organizing a cleanup afterward.

We spent some weeks looking at Margaret Guenther's *Toward Holy Ground, Spiritual Directions* for the Second Half of Life. We also ordered through the parish this season's *Living Compass*

offering, *Living Well Through Advent 2023*. Between books we look at the readings for the coming Sunday, so there is always something to "chew on" and digest. As to the latter, it does help us, when hearing the readings on Sunday, to be able to "dive a bit deeper", so to speak.

We welcomed John into our circle when he arrived in the Spring, and I think he would agree that this time is a highlight of our midweek that we share in a variety of ways. No one needs fear preferring simply to listen, but most folk have things to contribute to our discussions (which can become quite animated!) We are indeed fortunate to have John in our midst as he offers an educational component which few - if any - of us can match.

We will welcome each of you, should you think of coming to the group, -and we will be the richer for your presence. Do please consider it.

3.3.3 Music Programmes

Following the guidelines of the parish, the music at St. Michael's in 2023 emphasized congregational participation. Since the arrival of our new Rector, Rev. John Perris, in May, more of the elements of the service have been sung or chanted. These include the psalm refrain, Gospel responses, the dialogue of the Eucharistic prayers, and the Fraction Anthems. As for hymns, the Music Director, in consultation with the Rector, chooses them according to the readings, chiefly using the Biblical Index at the back of *Common Praise*. At the same time, every attempt is made to respond to requests and observations from the congregation.

The re-formed choir rehearsed regularly on Thursday afternoons, including summer months, offering anthems on an average of two each month, and learning hymns and other service music. Members were especially pleased to work on more complex music for festive occasions. A highlight was the 140 Anniversary Service on October 1 during which they presented Anton Bruckner's motet "Locus Iste", augmented by 10 guest singers. Another was Evensong at the Dominion Astrophysical Observatory on August 20, when we sang Elizabeth Griffin's lighthearted version of Psalm 19, subtitled "Dome Ditty". The Advent and Christmas season generated several favourite anthems.

We are deeply appreciative of new music folders given by an anonymous donor. We are also grateful to Dick and Sally Tuckey for hosting us in their home on December 12 for an evening of fun, food and Christmas music.

On behalf of the parish, I offer a sincere thank-you to members of the choir for their hard work and commitment to raising joyful voices each Sunday. Our fellowship includes Barbara Forsyth, Elizabeth Griffin, Valda Kitching, Don MacSween, Norm McEvoy, Lonnie Palmer, Cheryl Pardue, Nancy Paxton, Grant Smalley and Dick and Sally Tuckey.

3.3.4 Observatory Evensong

Observatory Evensong was able to resume this year, when a congregation of about 30 (including a full choir) assembled in the dome of the 72-inch Plaskett telescope at 6:30 pm on Sunday August 20 for a special service of Evensong, formally hosted by Elizabeth Griffin. For many of those present it was a novel and quite awesome experience to be inside the dome and beneath the big telescope, especially as the shutters were opening. After the service, several people accepted Elizabeth's invitation to see round the smaller (48-inch) telescope.

3.3.5 Pastoral Care

Our Pastoral Care Team is comprised of Nancy Paxton, Sally Tuckey, Sue Jones, Valda Kitching, Nancy Whysker, Marion Edgar, and Deb Ayotte. We were Commissioned by our Rector at the 10:30 service on September 10, 2023.

Our Rector John has requested that we accompany and assist him in the spiritual care of our parishioners, who for various reasons are home bound and are unable to join our Sunday service of Holy Communion. In carrying out home communion we represent the parish of St. Michael's, and share in the consecrated Body and Blood of the Risen Lord.

Several of our parishioners have requested rides to our Sunday Services. We were able to accommodate them because we now have a small group of dedicated drivers, but we will continue to ask our parishioners for their help in assisting others who cannot drive themselves to our Sunday worship and coffee fellowship after the service. If you would like to be part of this ministry, please tell John or me.

The Pastoral Care Team has committed to praying daily for our parishioners whose needs have been made known to our team. Their names will appear in an email, after I have had a weekly communication with John. This email will be treated with the highest confidentiality and will contain first names only. All names will be known to John through members of our Pastoral Care team or through speaking directly to our Rector. Our Team is open to new people, and if you want to be a part of this important ministry, please tell John. The only other stipulation will be that you must take the Safe Church Course. The information about the course will be provided to you by Stan Willow.

Since John's arrival, our Pastoral Group has been very busy. We needed to reorganize what Pastoral Care meant to all of us, and tailor it to fit the needs of our parish. I must add that, through John's leadership, we hit the floor running. We have reorganized our phone calling, our daily prayers for people in need, and visiting our shut-in parishioners. Valda has been very active in mailing cards for all occasions, including sickness, birthdays, anniversaries, and many other occasions. In our parish we are fortunate to have our service videotaped and aired by Angela Goddard. I believe that this broadcast reaches our shut-in parishioners and reminds them that they are still a part of our Christian Community.

As we go forward in this our ministry of Pastoral Care, we have represented St. Michael's by joining John in an Internment Service in the Memorial Garden. We have accompanied John in his own ministry of sharing in private Holy Communion in various homes. In pairs, members of the Committee have visited parishioners to see how they are doing, to offer our support and prayers, and to request a visit from John to impart this information to him.

Each of our members is an integral part of Pastoral Care. Their dedication to this ministry is vital to St. Michael's. It has been a privilege to serve as Team Leader, and I look forward to seeing our Team expand into other areas of our Christian Community in 2024.

3.3.6 Special Services

There was one wedding, one baptism and ten memorial services and/or interments in the Parish in 2023.

3.3.7 Sunday School

About 10 children presently attend, though the majority not regularly. The age span (3 to teenage) is challenging, but the leader (Marnie Sandborn) works conscientiously to keep all the age groups engaged and involved. Each Sunday's tasks centre round one of the day's readings and may include elements from Godly Play. Other facilities for the younger children are being discussed, and efforts are going ahead to establish a Youth Group. Several of the youths are involved intermittently in reading at the Sunday morning service. This year's Christmas Pageant, organized for the Sunday School but set up as a walk-in for anyone else, and without rehearsal, took place on Sunday December 24. It was again quite lovely to behold. The Parish is greatly indebted to all who assist with running the various programmes and events that constitute the Sunday School.

3.4 Social & Fundraising

3.4.1 Celebrations & Special Social Events

The past year reflected an active and welcoming social life within the St. Michael's community. It began with the ever-popular Shrove Tuesday Pancake Supper in the Hall, and was a very successful evening thanks to the team of volunteers, parishioners and friends who participated. Donations met the cost of the magician and raffle prizes.

In April parishioners provided a variety of soups and bread before the service on Maundy Thursday.

On July 29th the Hall was once again full for our inaugural Summer Tea. 43 people attended, and a very large team of volunteers helped to ensure the success of this new event. People donated their time, talent, and groceries. The sandwiches, salads and desserts were delicious. Phyllis Fatt donated and arranged beautiful summer flowers for each table. David Palmer entertained us with summer music, there was a poetry reading, and an in-depth explanation by John Perris on the history of labyrinths. Afterwards, people had an opportunity to walk the labyrinth with him in our outdoor worship space.

In mid-September the Parish came together for the "Welcome Back Fellowship" after the main service. Cake, coffee and tea were provided.

October 1st saw grand celebrations for the 140th Anniversary of St. Michael's. The main service was enhanced by the Bruckner motet, *Locus Iste*, with several strong singers from other parishes joining the singing. After a group photo, some 60 parishioners and guests were treated to a luncheon buffet of sandwiches, pickles, salads and a Dutch Bakery cake. Salads were kindly provided by members of the parish. Phyllis Fatt and Brian Goddard donated flowers for this event; David Palmer played the piano, and Linda Dryden, Peter Goddard and Elizabeth Griffin organized historical trivia quizzes.

On December 17th our "Holiday Fellowship" rounded off a successful year of social functions at St. Michael's; eggnog, sherry, Christmas baking, juice, tea and coffee were appreciated by all.

The costs of these social activities were either donated or were reimbursed to donors of items. The church budget paid for the 140th luncheon other than the salads.

I would like to thank all the parishioners who regularly donated their time and groceries to ensure that our social functions are welcomed and supported. In addition, a special acknowledgement goes to Gerry Norie, Don McSween, Brian Goddard, Helen Love, Stan Willow, Jo-Lynn Forbes, Margaret Eagle, Deb Ayotte, Eva McBride and Nancy Paxton for their continual assistance with our social functions.

3.4.2 Craft Card Sharks

Card Sharks, the card group (leader Terry Willow), meet on the 2nd and 4th Monday of each month in the Hall. Techniques for creating cards are taught by professionals.

3.4.3 Education

The Purpose of the Committee is to provide opportunities for church members of all ages, and the community at large, to learn and grow in knowledge and understanding of the Christian faith in the context of contemporary issues. The Committee organizes courses and studies for the Parish and beyond, and acts as the parent body for the Sunday School, the Library, and several other activities. All involved emphasize the value to the individual of the Fellowship that they enjoy.

On June 30 the Committee organized a popular course in which Dr. Patricia Gunton (retired GP) gave a very lucid presentation on two life-saving measures: CPR and AED. The church has since purchased two AED devices. In early October, and in support of the church's 140th celebrations, we were entertained by a truly delightful Fashion Show featuring dresses and uniforms that were in vogue 140 years ago. Our next course will be on 2024 March 1 by Ann Nightingale, an expert on Birds; other courses are being planned for later in the year.

Membership: The Parish is very grateful to all the teachers, organizers and helpers involved in the Committee's activities, and to Committee members Marion Edgar, Elizabeth Griffin (Recorder), Jim Kempling, Valda Kitching, Susan Hoffmann, Betty Ann Martin and Linda Dryden (Chair). However, more members are always welcome.

The Education Committee supports many areas of parish social and educational activities including the <u>Sunday School</u>, <u>Walking Group</u>, <u>Mobility Classes</u>, <u>Card Sharks</u> and <u>Stitching Ladies</u>. Please refer to these activity reports submitted by the Education Committee in this section.

3.4.4 Fundraising

St. Michael's has had a successful fundraising year, bringing in a total of \$20,471. In addition to the specific events listed below, we raised \$722.40 from deposits on recycled bottles. Those funds are donated to the St. Matthias Project Upgrade Endowment Award, a scheme run by Camosun College to provide bursaries for students who have overcome obstacles to their education and are currently in financial need. (St. Michael's is the only institution that pays into the scheme, so drink diligently and keep those empty bottles coming!)

We remind you of two other easy (and costless) ways for parishioners to contribute to St. Michael's: (1) You can use our church's s Co-op code (9300) whenever you shop at the Co-op, whether for groceries or for gasoline. The dividend accumulates into a shareholders' cheque at the end of the year; in 2023 we received \$210. (2) If you shop at Country Grocer, save your

receipts and drop them off in the basket in the Narthex. Country Grocer gives us 1% of the total in gift cards, and that also adds up quickly. We use the cards to support parish events and sale concessions and can be offered to parishioners in need.

In 2024 we may see some changes to our fundraising activities as our Sales lead Lenore has had to step back for a little owing to personal commitments. We will be trying a new approach with the May Spring Sale, drawing on the experience of the many volunteers over the years. A new event, the "Community Garage Sale" will be hosted in the parking lot in **June and** will be an opportunity to welcome the community into our facilities in a new way. A key ingredient to the successes of our fundraising events has always been the contributions and ideas from the parish community, and in 2024 that will be even more true.

March Shredding Event

This fundraising event was held in March and coordinated by Lenore English. It brought together a small group of parishioners and saw steady traffic from the community throughout. However, owing to the cost of renting the shredding truck and driver, only a modest profit of \$360 was achieved. We decided to not continue this event in 2024, as the company providing the shredding truck had significantly increased its rates and we do not believe we would be able to cover the higher cost.

May Plant Sale

In 2023 the Spring Plant Sale was held on May 6th, one week prior to Mother's Day (as requested by the organizers). The event was a firm financial success, raising \$6,143 through the sale of plants (thank you hugely for the tomato plants, Phyllis Fatt and the hanging baskets from Peter Goddard!) plus an expansive selection of household and outdoor items. The Concession Stand served the usual hot drinks and delicious "Egg McMichael's" – always a popular breakfast.

September Fall and November Christmas Sale

The Fall Sale was held on September 16th and the Christmas Sale on November 18th. Both events were successful in bringing our parishioners together, in welcoming the community to our church, and in raising funds for important outreach and operational needs. The sales realized \$6,758 and \$4,278, respectively.

During the summer we planned how to turn the downstairs room in the Hall into a permanent "Books & More" shop, to be open for set hours each week. The proposal, from Lenore English, was given approval by the Parish Council, who also addressed any insurance concerns. Lenore discussed this proposal with parishioners, and several volunteered to help. Unfortunately, health matters intervened, so this project is on hold for the present.

Purdy's Chocolates

The Purdy's Fundraising Campaign of 2023 was a great success. 53 orders were placed by St.

Michael's parishioners, their family members and friends. Chocolate orders totaled \$4,885.52, resulting in an income for the Parish of \$1,222.40 (significantly up from 2022). Several parishioners also assisted in collating and grouping the orders for picking up in Hall. Thanks especially for Terry Willow's leadership and to Nancy Paxton, Sue Jones, Helen Love, Marcus Love and Stan Willow.

3.4.5 Men's Fellowship (Brotherhood of Anglican Churchmen (BAC))

The BAC did not hold any meetings in 2023, but interest has recently been expressed in restarting a "Men's Fellowship" opportunities. Please contact Peter Goddard or Stan Willow if you are interested in participating. Although formal meetings have not occurred, the men of St. Michael's have continued to support all the fundraising, liturgical and social events in the parish.

3.4.6 Mobility Classes

The Mobility Exercise Class, started seven years ago, currently has eight enthusiastic participants who enjoy a free, non-strenuous programme set to music. This one-hour class is attended by both men and women and is held every Thursday in the Hall from 10:30 to 11:30 a.m.

The 2022 schedule began in February, owing to inclement weather (snowstorms) in January, but was otherwise uninterrupted; attendance numbers varied between five and eight, with the summer months proving the most popular. The exercises provide physical and spiritual benefits to both body and mind; they also enhance camaraderie and help to generate a positive outlook on everyday life. Our motto: If you don't use it, you lose it!

For more information or to register, please contact Valda Kitching.

3.4.7 Stitching Ladies

The Stitching Ladies (led by Diana Caleb) get together to stitch, knit and quilt on the 1st and 3rd Tuesdays from 1:00–3:00 pm in Diana's house. Attendance varied from two to 12. 13 pillows have been embroidered for the hard church seats, and 5 more are in preparation.

3.4.8 Walking Group

The Walking Group (led by Ricky Love) continued strongly, whatever the weather. We average three or five people per week, and we endeavour to ensure that everyone is comfortable with any walk we do. Walks commence at 10 am (9:30 in summer), last about 1 hour, and cover about 4 km.

3.4.9 Women's Fellowship (Women's Guild)

2023 was a momentous year for the Guild. We found ourselves leaderless when Lenore English

retired after many years of sterling service as Guild Chair and Coordinator of Fundraising and other events. Lenore is much commended for her efforts on our behalf and we thank her from the bottom of our hearts.

As a temporary measure, Chris Bullen was appointed chair of the Guild until such time as John arrived a few months later. During this hiatus, much discussion took place as to the direction we would like to take, and eventually it was decided that we should continue our efforts in full support of church activities and of the needs of all the women in the parish and community, which we see as our key role. In the process we decided that The Women's Fellowship was a more accurate descriptor of our activities.

Meetings take place at noon on the second Tuesday of each month, preceded by a bag lunch. Treats, coffee and fruit are provided. The new chair of the Women's Fellowship is Phyllis Fatt, with Jo-Lynn Forbes as secretary.

All women are invited to join us and enjoy a time of happy fellowship and mutual support. Anyone who decides to attend our meetings can be sure of a warm welcome and an enjoyable couple of hours.

3.5 Cemetery

The Diocese has appointed a manager (Mark Oldnall) to lead a process to get all cemeteries up to date with the requirements of the British Columbia legislation and regulations, Canons of the Diocese, and best practices. We have established a Cemetery Committee (including the Rector, Wardens, Lanny Hubbard, Peter Goddard, Jim Bullen, and Margaret Eagle (the latter recently to replace Lenore English). Our Funeral and Interment Policy is being amended to correct some terminology, and we are awaiting further advice from Mr. Oldnall on the next steps to take.

The Cemetery maps have been digitized and checked against reality in order improve the accuracy of the records. Photographs of all headstones and markers have been linked to the database records of interments.

Cemetery Accounts, reported within the Parish financial statements, are the responsibility of the Cemetery Committee. The accounts have been reorganized to identify and track clearly which funds must be held for perpetual care and which ones may be used for regular maintenance.

Gone But Not Forgotten is our new publication that describes the historical nature of our cemetery and includes information about persons interred there. This publication is available on request; its content will increase continuously as new information becomes available. Parishioners are encouraged to submit information about their loved ones, and to offer relevant details that they may like to see included.

4.2.1 2024 Pledge Report

In the Fall of 2023, our parish carried out a Stewardship Pledge Drive as required by the Diocesan Canons. This was the first of its kind at St. Michael's in the memory of our parishioners.

Pledge cards were completed and returned by 33 households which represents approximately 1/3 of the households on our Parish membership list. In addition to pledges of direct participation in our parish ministries ("Time and Talent"), these households pledged approximately \$110,000 to support our 2024 ministries. As the only person to see the financial data, Diana Caleb, our Envelope Secretary, compiled and reported the total of the financial pledges to Parish Council.

4.3 Treasurer's Report

This year has seen a return to almost normal operations. We were blessed with the arrival, in May, of John Perris as our new Rector along with his wife, Cat. Our wonderful Organist and Choir Director, David Palmer completed his first full year with us, and we had excellent secretarial support in our office for 10 months, first from Melissa Hogg and then from Sara Baker.

Reorganization of the financial accounts has continued this year along with a reduction in the number of actual bank accounts. This process should be completed in 2024 when some investments mature at TD Canada Trust and the funds can then be consolidated into the main accounts at the Bank of Montreal.

The overall financial results for the year were good. Our deficit for the year was \$359 compared to a budgeted deficit of \$15,530. Our Balance Sheet shows an increase of \$4,897 including an increase in value of the funds we have invested with the Diocese in the Consolidated Revenue Fund to \$64,450. The value of the unrealized gain in the CRF investment is \$14,450 while the original investment was \$50,000. The return on investment of these funds is forecast to continue at 4.25% for the coming year.

Giving by Parishioners as recorded through the envelope system (which includes e-transfers and PAR) was \$136,497 an increase of \$16,912. However, Special offerings for Easter, Thanksgiving, and Christmas decreased by \$5,725. Planned Giving was \$21,182 an increase of \$15,416. Fundraising was very successful at \$20,471 an increase of \$2,605. Overall income from all sources was \$243,805.

On the expenses side of the ledger, spending was \$244,164 an increase of \$61,024 compared to the previous year. This was primarily due to having near full staffing for the year and was anticipated in the budget.

Outreach disbursements for the year were \$16,422 a decrease of \$1,310.

There were a few surprise expenses during the year including repairing the sewer from the church (\$1,875), replacing the Hot Water Tanks in both the Rectory and Church (\$2,685), and repairing / replacing gutters on the Rectory and Hall (\$1,670).

Work on the Outdoor Worship Area continued with construction of a path to improve access. Expenditures for the year were \$1,545 and were almost entirely offset by a donation of \$1,500. The other significant non-budgeted expense was the purchase of two defibrillators \$3,073) which again was more than offset by donations of \$3,520.

The Budget for 2024 is presented later in this document. It anticipates a deficit of \$9,100 which includes \$6,000 for purchase of a new (refurbished) photocopier for the office. As always, special donations for such capital expenditures will be very much appreciated.

Thank you, Diana Caleb and Peter Goddard, for the counting, recording and depositing of weekly offerings.
